

## THE BIG BANG "CREATION" - "IN THE BEGINNING"

Mosaic Mural by Mr. Borboa

Mr. Borboa, the well-known artist loves God the Creator and all of his creation. This mural is the artist's attempt to show how the world was created. The huge hand is the hand of God from which the big explosion creating the universe takes place. From the sphere of gold in his hand he filled the universe with nebulae, galaxies, stars and planets. The universe is embraced by the immense wings of the Spirit of God in the form of a white dove, welcoming us into his peace.

著名藝術大師 Borboa 是一位虔誠的教徒。他為新校舍製作的壁畫，主題是探索世界如何誕生。畫中描繪的手是「上主的手」。天主憑着聖愛與大能，令手中的金球爆炸，創造了日月星辰和宇宙萬物。而天主聖神則以白鴿的形象，用其龐大的翅膀擁抱著宇宙，迎接世人，讓世人活在主的平和中。

## Blessing Ceremony

The Mass and Blessing Ceremony for the New Whole Day School of La Salle Primary School was successfully held on 25<sup>th</sup> September, 2002, in our new school hall. We were honoured to have the most Reverend Bishop Joseph Zen Ze-Kiun S.D.B. V.G. to officiate the mass. We invited the Parish Priest, Father Gabriel Lam; the priests of St. Teresa's Church; and the Old Boy Priests, Rev. Father Edward Khong and Rev. Father Marciano Baptista to con-celebrate with the Bishop.

A total of more than 1500 people attended the mass including our Supervisor, the Lasallian Brothers, the Principal, teachers and pupils of the whole school and a hundred of honourable guests.

During the homily, Bishop Zen said that we should give praise and thanks to the De La Salle Brothers who had contributed a lot to Hong Kong especially in the field of education ever since their arrival.

The mass ended with a blessing on the foundation stone. The blessing inspired that the whole school was under the guidance and care of our Heavenly Father. The ceremony was grand and solemn. We were most grateful to the Bishop and priests for sparing the morning to lead the mass.

Address by Superior General

Brother Alvaro, Superior General of the de La Salle Brothers, addresses the gathering.

“...It seems to me that this building is a sign of hope in this important area of the world and a good omen for the importance which education, inspired in Lasallian values, should continue to have in Asia in the coming years... May it continue to be a place where children and teachers live in a spirit of fraternity and friendship that goes beyond the mere transfer of knowledge. A place where each can affirm his own beliefs and where he can approach God while respecting differences and where all might learn that life has meaning only when we are able to be open to the needs of others and where we commit ourselves to the building of a more human world...”
