Physical Education

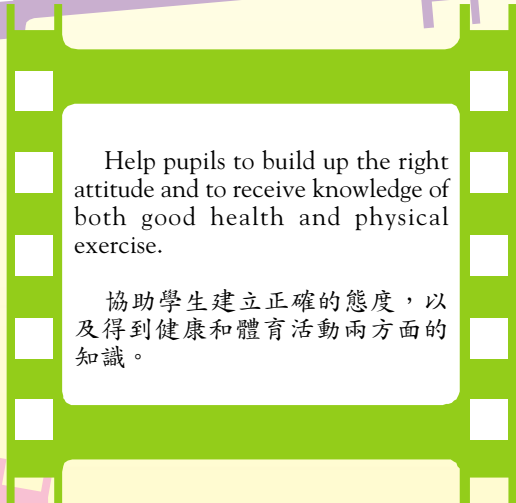

To better promote the quality teaching and learning of Physical Education, we will work towards the following directions:

為了建立更完善的教學模式，體育科會依循以下的既定方向邁進，期望能提高學與教的效益：

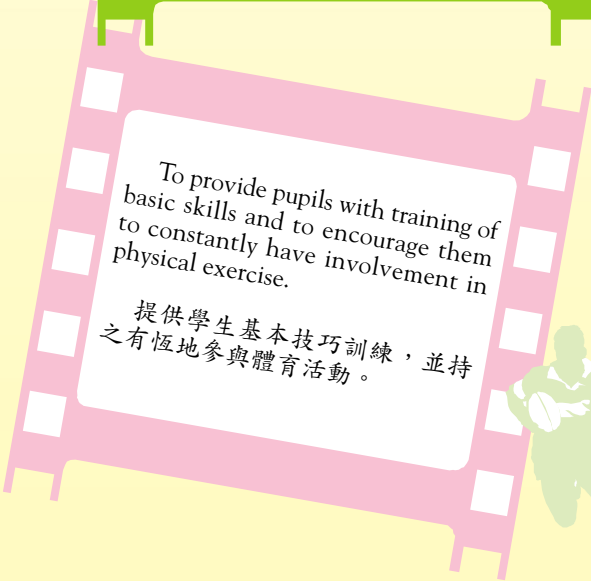

To devise a set of balanced, creative, interesting and challenging physical exercise courses in school to cope with the development of the generic skills of the pupils.

在學校發展一套均衡而充滿創意、樂趣和挑戰的體育課程，以發展學生的共通能力。

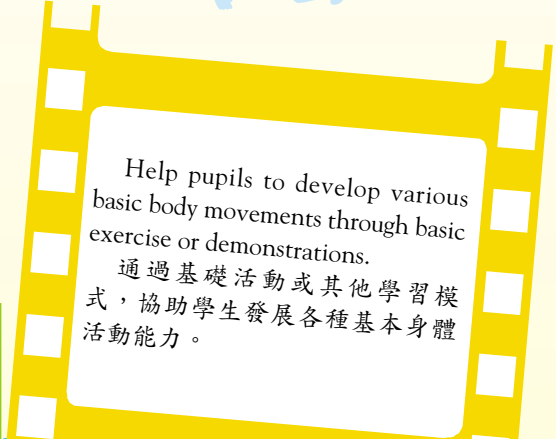

Help pupils to build up the right attitude and to receive knowledge of both good health and physical exercise.

協助學生建立正確的態度，以及得到健康和體育活動兩方面的知識。

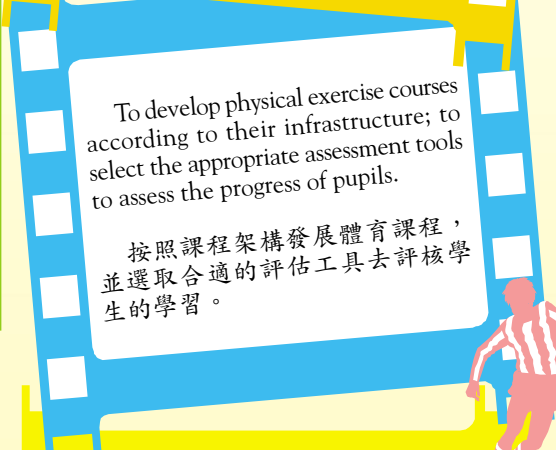

To provide pupils with training of basic skills and to encourage them to constantly have involvement in physical exercise.

提供學生基本技巧訓練，並持之以恆地參與體育活動。

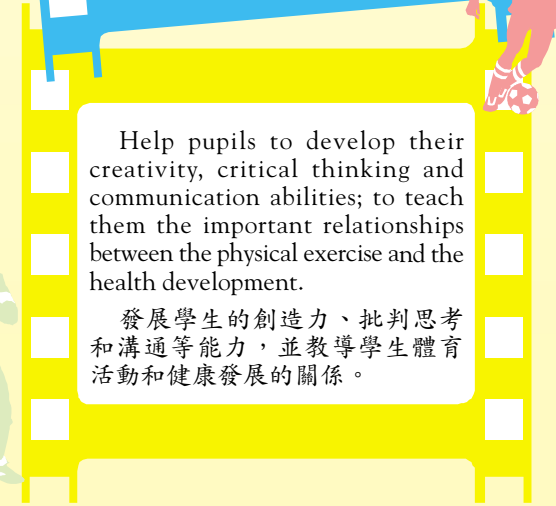

Help pupils to develop various basic body movements through basic exercise or demonstrations.

通過基礎活動或其他學習模式，協助學生發展各種基本身體活動能力。

To develop physical exercise courses according to their infrastructure; to select the appropriate assessment tools to assess the progress of pupils.

按照課程架構發展體育課程，並選取合適的評估工具去評核學生的學習。

Help pupils to develop their creativity, critical thinking and communication abilities; to teach them the important relationships between the physical exercise and the health development.

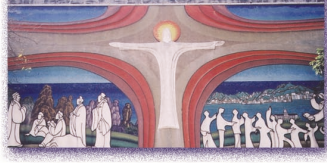

發展學生的創造力、批判思考和溝通等能力，並教導學生體育活動和健康發展的關係。

Religious Knowledge

Our religious knowledge curriculum is aimed at delivering basic Gospel messages to pupils. Guidance based on preachings by Jesus Christ is provided to pupils enabling them to develop relationship with God and put Catholic doctrines into practice in their everyday life.

Annually we have the First Holy Communion for Catholic students of Primary 3, and the Confirmation of Sacrament for Catholic pupils of Primary 6. Through these spiritual ceremonies, the Catholic students can be brought even closer to God.

We have a group of pupils coming together to form the “Young Pioneers of Christ”. Caring for others is the mission of the group. The group pay frequent visits to aged homes and help the needy in the community, showing the qualities of genuine Catholics.

本校的宗教教育課程，旨在傳遞學生基本的福音訊息，並以耶穌基督之教導，引導學生發展與天主之間的關係，使彼等能在日常生活中實踐基督的精神。

為培養公教同學與天主之間的關係更為密切，本校宗教科老師每年均為小三的公教同學準備初領聖體，及為小六公教同學領受堅振聖事。

此外，校內的「基督小先鋒」，亦是一個實行愛德的小團體。同學們經常探訪老人院和幫助社會上有需要的人，積極實踐一個真正基督徒的使命。

Reading to Learn

In this school year, the central library launched the “Happy Reading Journey Award Scheme”. Pupils can accumulate points to exchange gifts by reading books, writing book reports or participating in library activities. At the end of each school year, certificates are awarded to the participants.

Moreover, the library also organises seminars, book exhibitions and competitions, such as the “Slogan Design Competition”, the “Bookmark Design Competition” and the “Poster Design Competition”.

今學年，中央圖書館推行「開心閱讀之旅」閱讀獎勵計劃。同學每次借閱圖書、寫閱讀報告、參加圖書館活動，均可累積分數，換領獎品，學期終結時更可憑積分獲頒獎狀。

除此以外，中央圖書館還舉辦了講座、書展、標語創作比賽、書簽設計及海報設計比賽等活動。
