

It is our great pleasure to welcome you to the Opening Mass at La Salle Primary School.

Our mission is to give a human and Christian education to the young, paying particular attention to the needy. By touching the minds and hearts of the children confided to our care, and by providing the highest quality of education, we aspire to be the best primary school in Hong Kong. As all Lasallians like to say,

La Salle is always something more!

This year the Lasallian Family are celebrating the 300th anniversary of the death of our founder, Saint John Baptist de La Salle, Patron Saint of Teachers. Throughout the world, events and celebrations are being held to honour our common heritage of providing a human and Christian education to the young and the poor.

Let us continue to share our rich heritage with our children, and pray that they will reach new heights and have an enjoyable school life in the coming school year.
