# **Y**ou Raise Me Up

Words and Music by Rolf Lovland and Brendan Graham

When I am down and oh, my soul, so weary,  
when troubles come and my heart burdened be,  
then I am still and wait in the silence  
until you come and sit awhile with me.

You raise me up, so I can stand on mountains.

You raise me up to walk on stormy seas.

I am strong when I am on your shoulders.

You raise me up to more than I can be.

When I am down and oh, so weary,  
when troubles come and my heart burdened be,  
then I am still and wait here in the silence  
until you come and sit awhile with me.

You raise me up, so I can stand on mountains.

You raise me up to walk on stormy seas.

I am strong when I am on your shoulders.

You raise me up to more than I can be, more than I can be.

# School Song

1. Boys of courage, boys of daring,  
Full of manliness and will;  
Spirit nought for danger caring,  
Hearts to conquer every ill.

Chorus:

We are sons of La Salle everyone,  
And no matter where we go;  
High aloft her flag we will hold,  
And strive that her fame may grow.

2. There are famous schools in plenty,  
With their heroes by the score;  
And they flourish high and mighty,  
But La Salle is something more.  
(Chorus)
3. From her lofty station pointing,  
To the sky's majestic dome;  
She would have us ever minding,  
That above is our true home.  
(Chorus)
4. Come whatever kind of weather,  
Come the stormy days along;  
When the old boys get together,  
They will always sing this song.  
(Chorus)

# Auld Lang Syne

Should auld acquaintance be forgot,

And never brought to mind?

Should auld acquaintance be forgot,

And days of auld lang syne?

For auld lang syne, my friend,

For auld lang syne;

We'll take a cup of kindness yet,

For auld lang syne.
