

Report on Capacity Enhancement Grant 2023-2024

The Capacity Enhancement Grant was used in the following area:

To continue employing teaching assistants, clerical assistants and technical support staff

Achievements
<ul style="list-style-type: none"> • From September 2023 to August 2024, the School employed teaching assistants to assist teachers in the handling of teaching-related tasks and share their load. They assisted in preparing teaching tools, materials and references. They also facilitated extra-curricular and students' activities, provided support for students. • The School also employed clerical assistants to assist teachers in arranging non-teaching activities, and to perform general clerical duties. • The School employed technical support staff to assist in managing and operating the computers and Information Technology (IT) facilities in school. They also supported online learning platforms, Web-based School Administrative and Management System (WebSAMS) and school intranet.
Reflection
<ul style="list-style-type: none"> • Teachers agreed that the teaching assistants, clerical assistants and technical support staff could relieve their workload. Teachers enhanced capacity to care for students' learning needs and to foster high-quality education.
