

28<sup>th</sup> February, 2020

My Dear LSPS Students,

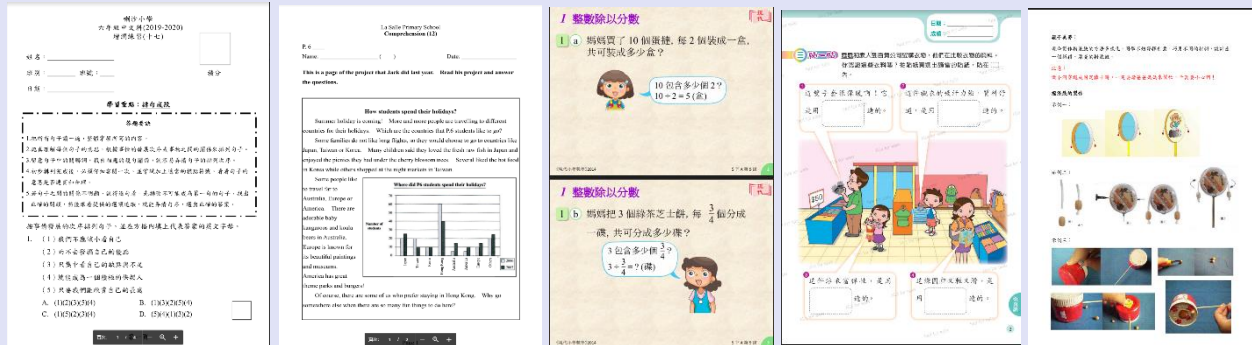

I hope you are all fine and well. I am certain you have heard recently that classes will continue to be suspended and will resume on 20<sup>th</sup> April, 2020 the earliest. The staff and I miss you all very much. I know many of you are missing your teachers, classmates etc. This is a challenging time indeed for all of us. Although classes are suspended, learning still goes on. We upload online self-learning tasks and activities every Friday onto the Self-Learning Zone on our school website. Please manage your time and complete the tasks in a timely manner.

Please also note I have started recording online assemblies and they will be uploaded every Monday morning until school resumes. The assemblies will also be uploaded onto the Self-Learning Zone. Please remember to watch it.

In the meantime, all teachers are working hard in providing you with suitable online self-learning tasks and activities.

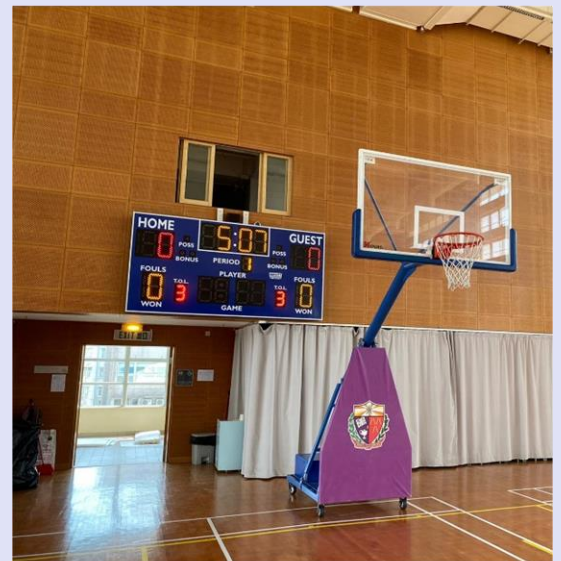

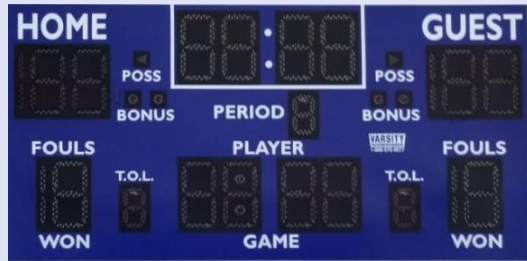

The janitors are working hard cleaning the campus following guidelines issued by the Centre for Health Protection.

Remember to do some form of daily exercises. The School has provided some links on the Self-Learning Zone for your reference. Eat well and get adequate sleep. During this period, if you have any worries or concerns, make sure you talk to family members or friends. You and your parents can also contact the class teacher or our school social worker, Ms. Lee ([leesf@la-salle.edu.hk](mailto:leesf@la-salle.edu.hk)), by email if you need any support.

Here is a piece of exciting news. We are so thankful to LSC Class of 84 for donating a large scoreboard. It is now in our school hall. It will display scores, measure time, and display statistics during a game. Next time when you play basketball here, you can make use of this new additional item.

I would like to end this letter by sharing a prayer with you:

Heavenly Father,

We pray that You will lay Your healing Hands upon all those who are coronavirus-affected. We beg You to have compassion on all those who are suffering so that they may be delivered from their difficult circumstances.

Amen.

*St. John Baptist de la Salle,  
pray for us.*

*Live Jesus in our hearts,  
forever!*
