

31st May, 2019

My Dear LSPS Students,

I hope you are all fine and well. It seems everyone is busy as we are now nearing the examinations. I understand that all of you will be working hard this weekend. Do prepare well and make sure you also get adequate rest.

I would like to share a number of things with all of you:

Celebration of our Success in Inter-school Competitions

Sports

LSPS has won the **Kowloon North District Champion** in the All Hong Kong Primary School Sports Award Scheme. Excellent!

I am proud to say that every member of our various school sports team is a true team player. Thank you my dear boys for your commitment, hard work and dedication to your sport and helping the School in achieving this marvellous victory. I would also like to thank all the teachers, coaches, parent helpers, parents and old boys for their full support.

LSPS's Gymnastics Team (C Grade) has won the **Overall Champion** in the All Hong Kong Inter-Primary Schools Gymnastics Competition. Amazing!

LSPS's Badminton Team captured the **Third Place** in the Kowloon North Area Inter-Primary Schools Badminton Competition. Wonderful!

General Studies & Science

Selected P.5-6 students participated in the Hong Kong Science Olympiad for Primary Schools. 13 students got the **Gold Award**, 10 students won the **Silver Award** and 7 students received the **Bronze Award**. Our students' mean test scores were amongst the top five of all participating schools so LSPS received the **Outstanding Performance Award**. Fantastic!

Do you remember the Sports Day on 16th April? It was unfortunate that we had to cancel the Sports Day because of the bad weather. Nevertheless, we were fortunate to have had some time for the students to compete with and cheer for each other. Some of the remaining events will be held during the post examination activities period. A special thank you to our PTA, parent helpers and old boys for helping us with this event.

Easter Beijing Study Tour 2019

During the Easter holidays, from 17th to 20th April, Mrs. Mandy Luk, Mr. Vincent Yau and I went to Beijing with twenty-four P.6 students. We visited our sister school – The Experimental Primary School of RDFZ.

Apart from attending lessons and having cultural exchange activities at our sister school, we also went to visit The Imperial Palace, Tiananmen Square, Summer Palace and The Great Wall of China – Juyong Pass. We all learnt a lot. The boys' feedback was excellent in general and that the trip enabled them to see and learn different things.

EDB Leadership Enhancement Programme for Newly Appointed Principals

Mrs. Rakesh went to Beijing again from 6th to 11th May to attend the Education Bureau's Leadership Enhancement Programme for Newly Appointed Principals. I am happy to say that I 'graduated' at the end of the week.

I would like to end with a prayer for the exams:

Father,

Be with me as I take this exam.

Keep my mind alert and my memory sharp.

Calm my nerves and help me concentrate.

I know that you walk with me,
Guiding my path and inspiring my heart.

I pray that I would feel you with me,
And that your friendship would soften the pressure I feel.

I pray that I would pass this exam and go on to new things with you.

Thank you for your peace and your love in my life.

Thank you for your kindness and care for me.

Amen.

St. John Baptist de La Salle, pray for us.

Live Jesus in our hearts, forever!
